

# Replaced

Ryan Adams

Don't tell me that's the best  
The best you can do  
Got this feeling in my chest  
Like I can't catch my breath

So give me some space  
Just in case  
Give me some space  
Wanna try but I'm not working  
I don't wanna be replaced

Got this jukebox heart  
Heavy and grey  
Quarters go in  
Sometimes a song gon' play

Give me some space  
Just in case  
Give me some space  
Wanna try but it ain't working  
I don't wanna be replaced  
I don't wanna be replaced

I said that I would even lie for you  
Now I don't know if I even care to try  
To try for you

Oh those things you didn't say  
That you think I never hear  
The wrench gets loose  
Gets caught up in the gears

Give me some space  
Just in case  
Give me some space  
Just in case  
Just in case  
Just in case  
Give me some space
