Shallow

Ryan Adams

```
Girl, don't tell me how you want me
Tell me how to get through
Girl, don't tell me how you want me
Tell me how to get through

'Cause I gotta know
I gotta know
I gotta know

I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
And leaving me shallow

Girl, don't tell me how you need me
Tell me how to get through

Cause I gotta know
I gotta know
I gotta know

I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
You're taking me higher
You're taking me higher

You gotta do what you do
Gotta say what you say
And lie to yourself
Forever

You gotta do what you do
Gotta say what you say
You've lied to yourself
Forever

Girl, don't tell me how you need me
Tell me how to get through
Girl, don't tell me how you need me
Tell me how to get through
'Cause I gotta know
```
