

So Dumb

Ryan Adams

So
I couldn't picture you with him
It gets old
Working so hard to forgot

You're so cold
You're so cold
I don't know
What I want

So done
Trying waiting but you can't
Succumb to this illness
Inside your head

You're so cold
You're so cold
I don't know
What I want

It's so dumb
It's so dumb
Then I try to hold on

I cry
'Til nothing's even left
In my eyes
It's like I'm digitally baptized

With no soul
No soul
I don't know
I don't know

It's so dumb
It's so dumb
But I try
To hold on
