

So Helpless

Ryan Adams

Another figure fading into my past
I feel like I'm speeding, pressing on the gas
I'm getting nowhere, nowhere fast
I'm getting nowhere so fast

I feel helpless
Helpless
Helpless
I feel helpless

I feel the engine underneath my feet
Feel in my chest but my heart don't beat
It kicks a can up the middle of the street
Battered so many years they call me

Goddamn helpless
I feel helpless
Feel so helpless
I feel helpless
