

So Lost

Ryan Adams

As we stand here
At the end of our days
Staring at the rocks below

We are like strangers
And I missed the names
And a couple scarecrows

Hey
We're not the only ones they lost anyway
Anyway

We are waiting for
Someone to come
And lead us out of this path
Buildings fall around us
They rise and they fade
Then the ash and smoke comes

Hey
We're not the only ones they lost anyway
We're not the only ones you lost
Hey
We're not the only ones you lost anyway
Anyway

Hey
We're not the only ones they lost anyway
We're not the only ones they lost anyway
We're not the only ones you lost anyway
Anyway

Hey
We're not the only ones
Hey
