

## Some Might Say

Ryan Adams

Some might say that sunshine follows thunder  
Go and tell it to the man who cannot shine  
Some might say that we should never ponder  
On our thoughts today 'cause they hold sway over time

Some might say we will find a brighter day  
Some might say we will find a brighter day (yeah)

'Cause I've been standing at the station  
In need of education  
In the rain  
You made no preparation  
For my reputation  
Once again  
The sink is full of fishes  
She's got dirty dishes  
On the brain  
It was overflowing gently  
But it's all elementary  
My friend

Some might say we will find a brighter day  
Some might say we will find a brighter day

'Cause I've been standing at the station  
In need of education  
In the rain  
You made no preparation  
For my reputation  
Once again  
The sink is full of fishes  
She's got dirty dishes  
On the brain  
It was overflowing gently  
But it's all elementary  
My friend

You know what some might say  
You know what some might say  
You know what some might say  
You know what some might say

You know what some might say

You know what some might say  
You know what some might say
