

Stoned Alone

Ryan Adams

I've been stoned alone
7-11 parking lot
Over and over
And some homeless guy's speaking some kind of language I don't know
I don't know

I've been stoned alone
Walking around
Walking around my home
Trying to find needles, some kind of danger
Some kind of danger
I don't know
I don't know
I don't know

I've been stoned alone
Walking to Rite Aid on the boulevard
People are driving by and they are screaming
They are screaming
I don't care
I don't care

I've been stoned alone
I got a cool jacket
And I fuck with my hair
I start walking down
Start walking down baby
I'm walking there
I don't know
On my phone
On my phone
On my phone

I've been so alone
In the 7-11 parking lot
Over and over
I'm in some kind of danger
Some kind of danger
I don't know
I don't know
I been stoned alone
What in the world could ever lead me back?
Somebody gotta drive me home
Drive me home
I don't know
I don't know
I don't know
I don't know
