

# This Love

Ryan Adams

Clear blue water  
High tide, came and brought you in  
And I could go on and on, on and on, on and on

Skies grew darker, currents swept you out again  
And you were just gone and gone, gone and gone  
In silent screams, and wildest dreams  
I never dreamed of this

This love is good  
This love is bad  
This love is back from the dead  
These hands had to let it go free  
This love came back to me

Tossing, turning, struggle through the night for someone new  
And I could go on and on, on and on  
Lanterns burning, flickered in my mind for only you  
But you were still gone, gone  
Been losing grip, this sinking ships  
It's like you showed up, just in time

This love is good  
This love is bad  
This love is back from the dead  
These hands had to let it go free  
This love came back to me

This love left a permanent mark  
This love is glowing in the dark  
These hands had to let it go free  
This love came back to me, oh

I kiss your cheek  
I watched you leave  
Your smile, my ghost  
I fell to my knees  
When you're young, you run  
When you're young, you run  
When you're young, you run  
But you come back to what you need

This love is good  
This love is bad  
This love is back from the dead  
These hands had to let it go free  
This love came back to me

This love left a permanent mark  
This love is glowing in the dark  
These hands had to let it go free  
This love came back to me  
This love came back to me, oh
