

## Throw It Away

Ryan Adams

You know it's not a fall from grace that breaks you down, it's  
somebody's face  
You hit the ground, you hit the brakes  
And you crash in the same place

Why did you want to throw it all away?  
Why did you want to throw it all away?

If I'm doomed to repeat the past  
Let it be someday where moments past  
[?] nothing comes to last  
Or even comes close to matter and we're lost  
We're lost

Why did you want to throw it all away?  
Why did you want to throw it all away?  
Why did you want to throw it all away?  
Why did you want to throw it all away?  
Why did you want to throw it all away?  
Throw it away?  
Throw it away  
Throw it away
