

Was I Wrong

Ryan Adams

Like you and I in the flame
Oh is it a lie
Are we all the nice things that we say?
Or are we the cries in the dark?

Was I wrong?
Was I wrong?
Was I wrong?
Who was?

Like a factory I watched decay
And the windows are cracked one by one
Notice goes up and then they take it down
And all the people will watch

Was I wrong?
Was I wrong?
Was I wrong?
Who was?

Was I wrong?
Was I wrong?
Was I wrong?
Who was?

Was that you and I in the flame?
Or is it a lie?
Are we all the nice things that we say?
Or are we the cries in the dark?
