

# You're Gonna Make Me Lonesome

Ryan Adams

I've seen love go by my door  
Never been this close before  
It's never been so easy or so slow  
It's shooting in the dark too long  
When something's not right, it's wrong  
You're gonna make me lonesome when you go

Dragon clouds so high above  
I've only known careless love  
It always hittin' me from below  
But this time 'round it's more correct  
Right on target, so direct  
You're gonna make me lonesome when you go

Purple clover, Queen Anne lace  
Crimson hair across your face  
You can make me cry, but you don't know  
Can't remember what I was thinking of  
You might be spoilin' me too much, love  
You're gonna make me lonesome when you go

Flowers on the hillside blooming crazy  
Crickets talking back and forth in rhyme  
Blue river running slow and lazy  
I could stay with you forever and never realize the time

Situations have ended sad  
Relationships have all been bad  
Mine've been like Verlaine's and Rimbaud  
But there's no way I can compare  
All them scenes in this affair  
You're gonna make me lonesome when you go

You're gonna make me wonder what I'm doin'  
Staying far behind without you  
You're gonna make me wonder what I'm sayin'  
You're gonna make me give myself a good talking-to

Look for you in old Honolulu  
San Francisco or Ashtabula  
You're gonna have to leave me now, I know  
But I'll see you in the sky above  
In the tall grass, in the ones I love  
You're gonna make me lonesome when you go
