

# Madness

Ryan Amador

Find myself unable of backing off  
Need my mind to get high on all your love  
But I'm sure that I'll never get enough  
Break my bones to do everything for you  
Sell my soul whenever you ask me to  
And I won't take anything but love

And even on my busy way  
I see you all the time  
With your coat thrown over your shoulder like such  
And when you're gone, I go insane  
And you're impossible to find  
And even though it's madness  
It really feels tragic now  
Cause when I can't have you  
Then what can I do?  
Cause I'm crazy for your love  
And when I can't have you  
Then what can I do  
Cause I'm crazy for you now

Home all alone and I try to pass the time  
Wide awake, and I dream of just your smile  
I don't know why, I can't get enough of you  
Standing at your corner reading poetry  
If I can't see your face then I don't want to be here  
No, it's not worth the hold up

And even when you work all day  
I'm trying hard to lie and say that I'm doing my thing, yeah I'm fine, no I'm fine, don't you worry about me  
Cause possibly I'm robbing you of all the things you've got to do  
I'm committing my crime and it's madness I tell you  
Madness  
But I gotta have it now  
Cause when I can't have you  
Then what can I do?  
Cause I'm crazy for your love  
And when I can't have you  
Then what can I do?  
Cause I'm crazy for you now

Stop no I can't stop no I can't stop  
Cause I can't get enough, no I cannot  
And even when I lose my mind  
I know you're close behind  
You're at my side in a blinking eye, every time

And even if the roads are blocked  
I know you'll be my guide  
Cause even though I'm madness  
I know you love to have our life  
I know you love to have our life  
I know you love to have our life  
And when I can't have you  
Then what can I do?  
Cause I'm crazy for your love

And when I can't have you, then what can I do  
I'm crazy for you now  
I'm crazy for you now  
I'm crazy for now
