

# Weirdo

Ryan Amador

Some people, they follow, some people, they fake  
But I'd rather be a weirdo, I think that'd be much more interesting  
Some people, they borrow, what's already been made  
But I'd rather make a weirdo 'cause I don't care if my shit is strange

And I could be number one of all time  
But I'd rather be a zero if it means I don't have to compromise  
And I could take center stage, live in prime time  
But I'd rather play it my way, and pull that spotlight to the sidelines

'Cause I'm just a weirdo  
I, I'm just a weirdo  
And I'm just a weirdo  
I, I'm just a weirdo  
And I'm just a weirdo  
I, I'm just a weirdo  
And I'm just a weirdo  
Pull that spotlight to the sidelines

Some people live in a box, can't shake it off, they're stuck  
But I frankly don't give a fuck, I live my life the way I want  
Some people rise through the top by screwing over all of their friends  
But I'd rather keep my integrity and share my love with the weird-

Share my love with the weird-  
Share my love with the weird-

'Cause I could be another money-minded sellout  
But I never wanna change my sound  
And I could be another asshole CEO  
But I know that I'd rather be a weirdo  
You can't tell me where to go  
I can't just do what I'm told  
No, I'd rather be the one to invent my own  
Nobody mess up my throne

'Cause I'm just a weirdo  
I, I'm just a weirdo  
And I'm just a weirdo  
(Just a fucking weirdo)  
I, I'm just a weirdo  
And I'm just a weirdo  
I, I'm just a weirdo  
And I'm just a weirdo  
(Just a fucking-)  
Nobody mess up my throne

Just a fucking weirdo  
Just a fucking weirdo  
Just a fucking weirdo  
Just a fucking weirdo  
Just a fucking weirdo

If you like what you see  
Come on and get inside  
[?] weirdo  
Turn on your lights

[?] got to believe  
So do your weird thing

Just a fucking weirdo  
Do your weird thing  
Weirdo  
Do your weird thing

I could be front page of New York Times  
If I get there as a weirdo, every move I make is justified  
And I can be number one of all time  
Be a weirdo superhero when you see me in the headlights

'Cause I'm just a weirdo  
(Just a fucking weirdo)  
I, I'm just a weirdo  
(Just a fucking weirdo)  
And I'm just a weirdo  
(Just a fucking weirdo)  
I, I'm just a weirdo  
(Just a fucking weirdo)  
And I'm just a weirdo  
(Just a fucking weirdo)  
I, I'm just a weirdo  
(Just a fucking weirdo)  
And I'm just a weirdo  
(Just a fucking weirdo)  
I, I'm just a weirdo  
(Do your weird thing)

Weirdo  
Just a fucking weirdo  
Just a fucking weirdo  
Just a fucking weirdo  
Just a fucking weirdo
