

## Camo

Ryan Beatty

Why I got this gel in my hair for no reason?  
Sitting in my bedroom with my headphones bleeding  
Staring at my posters of these Japanese women  
Dreaming of a day when it's worth what I'm seeing  
Should I get my trophies out the box?  
Should I hang my ribbons even though I lost?  
Cross country was that fastest on the team  
Cross country when I was only seventeen  
Now the only thing I got are these memories  
And a lot of time on my hands

Camo print depression  
I keep my feelings hidden  
No pills, no feels  
I'm not used to winning, but that's life  
That's life  
Camo print depression  
I keep my feelings hidden  
No pills, no feels  
I'm not used to winning, but that's life  
That's life

What's gonna be my reputation?  
[?] close to the bunk bed  
One on top and one on the bottom  
Is that a Flip Cam?  
(Yeah man)  
I got two  
(Oh shoot)  
One for the B-roll  
And one for the docs  
Cause that must mean nothing to me  
My mama saw me on TV  
Said she didn't recognize me

Mama saw me on TV  
I'm not saying I'm a ride or die  
Mama saw me on TV  
Who to say what's wrong or right?  
Mama saw me on TV  
Mama saw me on TV  
Mama saw me on TV  
Mama turn the TV off

Camo print depression  
I keep my feelings hidden  
No pills, no feels  
I'm not used to winning, but that's life  
That's life  
Camo print depression  
I keep my feelings hidden  
No pills, no feels  
I'm not used to winning, but that's life  
That's life

Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah

That's life  
That's life
