Give myself a try

Ryan Beatty

I looked in the mirror and realised,
I can be the one to change the world,
Even though it seems impossible, sometimes
And I'm like maybe, just maybe,
Even though I'm not first place at the finish line,
I still won a prize inside, I tried.

Now I can't do everything, no.
I'm still gonna try, gonna try my best,
But I will do anything, yeah,
Anything for this dream of mine, yeah.

I'm gonna give myself a try,
Oh Oh Oh Oh,
My aim is to win,
So I'm gonna rise,
I promise to live,
Until the day I die,
I gotta give myself a try.

People try to, try to bring me down,
But no matter what, I'm never gonna ever change,
No matter what they try to say, to me,
I'm a winner, not a quitter,
And that is just the way that it's always gonna be,
That it's gonna be, gonna be.

Now I can't do everything, no.
I am still gonna try, gonna try my best,
But I will do anything, yeah,
Anything for this dream of mine, yeah.

I'm gonna give myself a try,
Oh Oh Oh Oh,
My aim is to win,
So I'm gonna rise,
I promise to live,
Until the day I die,
I gotta give myself a try.

Imma keep my head up to the sky,
'til I make it there,
Imma keep on pushing, keep on believing,
Cause my time is here,
I'm gonna win, I'm gonna win, Oh, Oh,
I'm gonna win, I'm gonna win, Oh, Oh,
I'm gonna win, I'm gonna win, Oh, Oh,
I'm gonna win, win, win.

Cause I gotta give myself a try,
Oh Oh Oh Oh,
Gotta give myself a try,
My aim is to win,
So I'm gonna rise,
I promise to live,
Til the day I die,
I gotta give myself a try,

I gotta give myself a try,
I gotta give myself a try,
Gotta win, win, win, win, win,
Gotta win, win, win, win, win,
I gotta give myself a try.
