

# Hey L.A.

Ryan Beatty

First time I saw you  
I was kinda taken by surprise  
You were, sun kissed, so full of bliss  
You really had me mesmerized

And now it's something about the way  
You do where you knock me off my feet  
I'm lost inside of you  
And I don't think I can leave

You already had me at "hello"  
I said 'Hey L.A.'  
It's really really nice to meet ya,  
If it's okay I think I'll stay  
Cause I just want to have some fun

Top down just chilling on the west side  
Hands up get ready for a good time  
'Hey L.A.'  
It's really really nice to meet ya

Will somebody pinch me now  
Cause it kinda feels like a dream  
I got shades on my head, my feet in the sand  
Ain't worried 'bout a thing

When the sun goes down  
And the lights come on  
You got me feeling just like a star  
And no matter where I go  
You'll always have my heart

You already had me at "hello"...\nI said "Hey L.A."  
It's really really nice to meet ya,  
If it's okay I think I'll stay  
Cause I just want to have some fun

Top down just chilling on the west side  
Hands up get ready for a good time  
'Hey L.A.'  
It's really really nice to meet ya

Now if you can make it here  
You can make it anywhere  
And it's not always easy  
But there's no place that I'd rather be

I said "Hey L.A."  
It's really really nice to meet ya,  
If it's okay I think I'll stay  
Cause I just want to have some fun

Top down just chilling on the west side  
Hands up get ready for a good time  
'Hey L.A.'  
It's really really nice to meet ya

Na na na na  
L.A.  
It's really really nice to meet ya  
Cause I just wanna have some fun  
Top down just chilling on the west side  
Hands up get ready for a good time

Hey L.A.  
It's really really cool to be here yeah

I'll meet you at In-N-Out  
And let's go to the beach  
I'm in L.A!...
