

# Time for My Mind

Ryan Bingham

I don't know what to feel inside  
And I don't know what to say at all  
And I can't recall in my mind  
If I'm a where I'm a needin' to be

Never knew getting' lost on my own  
Was gonna help me to find my way  
Gotta give me some time for my mind  
So I can bring it on back to you

Never countin' the reason why  
I got only myself to blame  
Only lookin' to clear my mind  
So I can bring it on back to you

Well, I don't care for whoever say  
You shouldn't take no chance on love  
They never mattered before  
And they don't matter now  
So I'm a be on my way

I know I need ya  
More than ever  
Can't live without ya  
Come on baby let me show ya  
How much that I need your lovin' girl

I know I need ya  
More than ever  
Can't live without ya  
Come on baby let me show ya  
How much that I need your lovin' girl

Well, I don't know what to feel inside  
And I don't know what to say at all  
And I can't recall in my mind  
If I'm a where I'm a needin' to be

Never knew getting' lost on my own  
Was gonna help me to find my way  
Gotta give me some time for my mind  
So I can bring it on back to you

I know I need ya  
More than ever  
Can't live without ya  
Come on baby let me show ya  
How much that I need your lovin' girl

Gotta give me some time for my mind  
So I can bring it on back to you
