

## True

Ryan Cabrera

I won't talk, I won't breathe  
I won't move 'till you finally see  
That you belong with me  
You might think I don't look  
But deep inside the corner of my mind  
I'm attached to you, mmm

I'm weak, it's true  
'Cause I'm afraid to know the answer  
Do you want me too?  
'Cause my heart keeps falling faster

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide it's time to try  
Anything to be with you  
All my life I've waited  
This is true

You don't know what you do  
Every time you walk into the room  
I'm afraid to move  
I'm weak, it's true  
I'm just scared to know the ending  
Do you see me too?  
Do you even know you met me?

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide, it's time to try  
Anything to be with you  
All my life I've waited  
This is true

I know when I go I'll be on my way to you  
The way that's true

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide, it's time to try  
Anything to be with you  
All my life I've waited  
This is true
