

Can't Say No

Ryan Caraveo

Ay oh
Ay-ay-ay oh
Yeah your feeling this shit, no you can't say no
Ay oh
Ay-ay-ay oh
Yeah your feeling this shit, no you can't say no
Ay oh

(3 am) just drivin'
Help me clear my mind when I'm putting over time in
Cause' I don't really sleep these days
Gotta' grind, gotta get it, gotta eat these days
Yeah my dog is a dog but at least he stays
Don't trust woman cause they creep these days
Ay, that's why we duck 'em and we dodge 'em
World keeps spinning like a 30 year old revolver
Bang bang' I'm shooting for the moon
Touring through these cities I'll be coming to you soon
Baby whats your name, hey tell me how your doing
Yeah' I'm feeling myself yeah I'm under the influence

At least I'm telling you the truth
Lately I've been going dumb, baby blame it on my youth
And I rarley drive sober
I pray to god I don't get pulled over

Ay oh
Ay-ay-ay oh
Yeah your feeling this shit, no you can't say no
Ay oh
Ay-ay-ay oh
Yeah your feeling this shit, no you can't say no
Ay oh

And we all still vibeing
Cell phone died I don't know what the time is
Hella young but this shits so timeless
If you ain't heard I'm the north ends finest
If you got a problem I'll be happy to debate
All of the sudden no one has nothing to say
Yeah they talk behind my back
But they happy to my face
Cause they see my people eating
And they wanna grab a place
Go ahead go ahead
There's plenty to go around
Never heard my name I bet that you know it now
When they play my shit I bet that you know the sound
She said that she ain't a hoe
I bet that she goin' down

At least I'm telling you the truth
Lateley I've been going dumb, baby blame it on my youth
And I rarley drive sober
I pray to god I don't get pulled over

Ay oh

Ay-ay-ay oh
