

Flay

Ryan Caraveo

I plant my heart in the ground
Grow a couple more
Leave 'em at your door so I can keep mine

I'll dig my eyes out
Leave 'em at your house
Just so I can keep looking at you all the time

I'll snip off my ear
Leave it by your mirror
So while you get ready
I can hear what's on your mind

I'll saw off my hand
Leave it on your head
To play with your hair while you go night night

If you want a piece of me
You can have a piece of me
Just let me fall asleep peacefully

Take a slice if you like
Take a chunk if you want
Just say I'm doing okay

I'll flay myself away
If I can hear you say
That I'm doing it right
Doing right, I'm doing it

I'm doing it right
Doing right, I'm doing it

Flay myself away
If I can hear you say
That I'm doing it right
Doing right, I'm doing it

I'm doing it right
Doing right, I'm doing it

Man I'm really starting to wonder
Who I'm doing it for
I changed up everything
To be who you adore

If you swap out the walls
And the roof and the floor
It's the same house but
Is it you anymore?

And you said I'm too rough so I shaved the edges
But in the process I filleted the essence
Kept the same voice but I changed the message
Desperately craving yes's

If you want a piece of me

You can have a piece of me
Just let me fall asleep peacefully

Take a slice if you like
Take a chunk if you want
Just say I'm doing okay

I'll flay myself away
If I can hear you say
That I'm doing it right
Doing right, I'm doing it

I'm doing it right
Doing right, I'm doing it

Flay myself away
If I can hear you say
That I'm doing it right
Doing right, I'm doing it

I'm doing it right
Doing right, I'm doing it
