

# Floating

Ryan Caraveo

(I feel like I'm floating on something...)

I feel like I'm floating on something  
Besides coming down, I ain't really scared of nothing  
If it's me against the world, imma be okay  
Cause all the hate I see is getting DOA'd, hey

Man I feel like I'm floating  
I, feel like I'm flying  
Like I turned an eighth into some clouds  
Now I'm cloud nining  
Let's live like we dying  
I feel that's what tonight is  
All the fellas are coming  
And all the bitches invited  
My bad  
I didn't mean to call you that  
I know if your daddy heard, he'd probably have a heart attack  
Deep inside  
That's where your feelings harbored at  
If you wanna talk about something, we could start with that  
But if you're shy  
I'll be the one to start it  
But we can sing together, it could be so melodic  
Don't think too hard, don't be so methodic  
Just tell me what you think  
Right as soon as you thought it

I feel like I'm floating on something  
Besides coming down, I ain't really scared of nothing  
If it's me against the world, imma be okay  
Cause all the hate I see is getting DOA'd, hey  
I feel like I'm floating on something  
Besides coming down, I ain't really scared of nothing  
If it's me against the world, imma be okay  
Cause all the hate I see is getting DOA'd, hey hey

Now I ain't worried bout the politics  
I don't care if you a skinny girl, or you kinda thick  
I ain't tripping 'bout your set  
I ain't worried 'bout your clique  
All you ever do is hate  
You should turn it down a bit  
I just wanna get lost like a space shuttle  
I just wanna lift off  
I don't care what it cost  
Cause it ain't about the bread  
Its about leaving work and doing what you love instead  
I know  
I know, I know I'm a bad influence  
Just give me one chance  
You'll be glad to do it  
Come along now, and run with me  
Yeah I feel fine, but  
I could use some company

I feel like I'm floating on something

Besides coming down, I ain't really scared of nothing  
If it's me against the world, imma be okay  
Cause all the hate I see is getting DOA'd, hey

Man, I feel like I'm floating away  
So far, I can't hear what they say  
Yeah, I grew up, but I didn't change  
Still the same kid from back in the day  
Man, I feel like I'm floating away  
So far, I can't hear what they say  
Yeah, I grew up, but I didn't change  
Still the same kid from back in the day  
I'm feel like I'm floating on something...
