

# Theme Song

Ryan Caraveo

Yeah, yeah, yeah  
So let this shit play  
Yeah  
Let this shit play

I woke up today and decided I don't wanna go to work  
Gotta million dollar mind  
And they don't pay me what I'm worth  
I just wanna make noise  
Travel a lot over this earth  
Fuck money for the rent  
I worry bout it on the first  
Man I'm living, living  
Fuck the bidness, bidness  
All this life around me  
I don't wanna miss it, miss it  
And my ex say that I'm acting different, different  
But if I'm happy then that ain't bad is it, is it?  
Man its been a long year  
I swear to God it's been a long year  
But now I'm winning  
And I feel like I belong here  
Cause I was stuck  
Having trouble moving on  
Had to lose my family  
To appreciate the bond  
And it took losing my homie  
To see how I'm living wrong  
It's a shame he ain't around today to hear this song  
Been stress, but shit, ain't we all  
Opportunity ringin'  
Man, I gotta take this call

So let this shit play  
Yeah  
Let it be my theme song  
Let it keep me going  
Lately they've been saying Im'a be something  
I just tell em  
Yeah I'm already knowin'  
So let this shit play (let it it play)  
Yeah  
Let it be my theme song (my song)  
Let it keep me going (let it keep me going on)  
Lately they've been saying Im'a be something  
I just tell em  
Yeah I'm already knowin'

Sometimes you gotta risk it all  
Say fuck the world and raise the stakes  
You'll never come up  
If every bet is safe to make  
They'll never feel me till I take this shit from state to state  
Cause its just a story till I go and tell them face to face  
And make it real  
So let the rookie take the field  
Show me where the target at

I line the shot and take the kill  
I truly hope the music I create  
Can make you heal  
Cause as of lately that's the shit  
That shady made me feel  
And back then I said  
I wouldn't work now  
I guess it's kinda funny  
How this shit works out  
Cause I'm counting up my money  
Soon as word gets out  
And when I see there ain't enough  
I say this couldn't work out  
Like that's a good excuse or somethin'  
Man, I'm the underdog that means I'm used to winning  
Used to nothing  
I've been stressed, but shit, ain't we all  
Opportunity ringin'  
Man, I gotta take this call

So let this shit play  
Yeah  
Let it be my theme song  
Let it keep me going  
Lately they've been saying I'ma be something  
I just tell em  
Yeah I'm already knowin'  
So let this shit play (let it it play)  
Yeah  
Let it be my theme song (my song)  
Let it keep me going (let it keep me going on)  
Lately they've been saying I'ma be something  
I just tell em  
Yeah I'm already knowin'  
Yeah I'm already knowin'  
So let this shit play  
Let it keep me going  
Let this shit play  
Let it keep me going  
So let this shit play  
Let it keep me going
