

# Mississippi To Me

Ryan Hurd

Something bout Jackson, you can't pass it up  
You don't want to hurt me, but you ain't in love anymore  
Something about a friend with a house, or a couch, or whatever

I wish you'd just stop  
Baby, just stop

You're talking reasons  
That you lost me back and I'm leaving  
You keep going on about something  
No, I don't hear nothing  
Girl, why can't you see: it's just Mississippi to me  
And the more that you say, the more that it hurts  
Baby, why can't you just let it be  
Mississippi to me

You keep on trying to explain it away  
It makes you feel better, but it makes the pain even worse  
Don't tell me you're sorry, don't paint me a picture I mean it

I don't wanna know, baby just go

You're talking reasons  
But you lost me back and I'm leaving  
You keep going on about something  
But I don't hear nothing  
Girl, why can't you see: it's just Mississippi to me  
And the more that you say, the more that it hurts  
Baby, why can't you just let it be  
Mississippi to me  
Mississippi to me

It could be anywhere  
I don't care, you'd still be breaking my heart  
It doesn't matter why you're going, just that you are

You're talking reasons  
But you lost me back and I'm leaving  
You keep going on about something  
But I don't hear nothing  
Girl, why can't you see: it's just Mississippi to me  
And the more that you say, the more that it hurts  
Baby, why can't you just let it be  
Mississippi to me
