

Consistency

Ryan Leslie

One day, it's still too long, I gotta check in with you like every day
Or something's wrong, yeah, that the frequency I need, babe, need, baby
You know I need consistency, yeah
One day, it's still too long, I gotta check in with you like every day
Or something's wrong, yeah, that the frequency I need, babe, need, baby
So give me that consistency

And say you need me, hold onto me
That's what I need, do that for me
Say you need me (Consistency), hold onto me
That's what I need (Consistency), do that for me, baby

Tell me you feel it too when I miss you, uh
You miss that vibe when I'm with you (With you)
You feel that heat when I grip you (Grip you), grip you (Grip you)
Hit that phone, hit my line
Call me right now, you know why
Ain't no doubt, want it too
It's that energy, me and you

Yeah
Oh, I love what I'm discovering about you, baby, oh (I love it)
Can I get you right now, I'll buy the one-way (You know what it is, uh)
Suddenly we talking 'bout forever, see that in your eyes
Poetry you captured in your letter, I recognize

So say you need me (Say you need me), hold onto me (Hold onto me)
That's what I need (That's what I need), do that for me (Do that for me)
So say you need me (Say you need me), hold onto me (Hold onto me)
That's what I need (That's what I need), do that for me (Do that for me, baby)

So say you need me (Say you need me), hold onto me (Say you need me)

Baby, baby

And call me (Stop playin')
I need you to call me (Just call me)
Call me, yeah, yeah
Oh, bae (Just call me)
Even one day feels like forever (I want you, baby)
I need that every day (Yeah)
Oh, baby
