

First Place

Ryan Leslie

Oh they still tryin' to put me in a box, ha ha ha
Les
It's R. Les you already know the wave
Let's go

I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one

I'm on a wave (A wave)
Still getting paid (I'm paid)
You know the name (You know it)
Why you amazed? (Amazed)
I'm taking trips (I'm fly)
Look at my duffle (Killer)
Look at my wrist (I shine)
Study my hustle (Hus-hus-hustle)
I know they hate
I don't get fazed
Look at my wife
We got it made
Never talk about the people no
Making money man I'm [?]
Multi million dollars CEO
Keep the basics all they need to know
Look at this

I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one
Look at this
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one

Man I do this every year
Disappear, disappear
Taking flights on the lair
Dripping ice on the air
She like "Ryan, bring that here, bring that here, line it up"
Let's be clear I'm never runner up
New [?] about to double up
I got the vision, I'm on a mission
You [?], no recognition
That was a flex, he took a L

Got a good woman, treat her well
Look at this

I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one
Look at this

I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one
Let's get it

Only do it for a real one (For a real one)
You a real one, you a real real one (Real real one)
Only do it for a real one (For a real one)
You a real one, you a real real one (Real real one)
Only do it for a real one (For a real one)
And you a real one, a real one
Only do it for a real one
And you a real one

I put you in first place (I do)
I put you in first place (I do)
I put you in first place (Real one)
Think I came upon a real one (Real one)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
I put you in first place (I put you in first place)
Think I came upon a real one
