Golden Days

Ryan Leslie

Looking back on what we've been through
Looking back on what we've done
Seeing all the times we've fallen
And all of the victories we've won
There's a glow of happiness
And a melody of pride
As we start a new beginning in our lives

I've had the time of my life
And I can't believe what we've achieved
My how the time did fly
Filled with such precious memories
And now that we must go our separate ways
I pray we don't forget
These golden days

All the hearts that we have opened
And all the friendships that we've made
May these bonds be never broken
And may these memories never fade
Resting in the arms of God
With exuberance and faith
We can share this precious moment in His grace
