Incredible

```
{What's your name?}, (I'm the mystery man)
{What's your name?}, (They call me "R-Les") |
{What's your name?}, (Ooh...), (Yeah, -eh, -eh, yeah, yeah, yeah)
{What's your name?}, (They call me "R-Les")
{Whoo hoo}
At the hot spot try'na get right tonight
Poppin', feelin' shorty all night tonight
But I sat back first make sure we do
Had a couple drinks got comfortable |
You walked in cute and two of your friends
A lot of attitude, bad confidence
I peeped you soon as you hit the floor
Knew what I came here for and
Now what's to (know)?
Just what you (do)?
Baby what's your (thing)?
Are you in (school)?
Are you from the (South)?
If not where (from)?
You have a (man)?
If not how (come)?
And if you (do)
Is he treatin' you (right)?
And if he (don't)
Can I try (tonight)?
My game is (tough), your jeans is tight
What I gotta do to get a dance tonight?
'Cause you're incredible... (Ooh baby you're so)
'Cause you're incredible... (Somebody I wanna know)
'Cause you're incredible... (You've got everything I like)
'Cause you're incredible... (You're the reason I'm here tonight)
The club's stress-free, no fights tonight
Didn't let ya outta my sight tonight
You walked my way that goes to show
If I can get it, anything's possible
Though my heart breaks up, can't let you see
Gotta keep my cool when you're next to me
'Cause I peeped you soon as you hit the floor
I knew what I came here for and
Now what's to (know)?
Just what you (do)?
Girl what is your (thing)?
Are you in (school)?
You from the (South)?
If not where (from)?
You have a (man)?
If not how (come)?
And if you (do)
Is he treatin' you (right)?
And if he (don't)
Can I try (tonight)?
My game is (tough), your jeans is tight
