Rescue U

Ryan Leslie

I don't know where you been
What you see
All of the good and the bad and in between
You can let it out tonight
I'm gonna be right here to surise
Don't be scared
Of a thing
Let it flow
Whatever you feeling girl you can let me know
I'm here to make it alright
Even if it takes me all night

I know that it might be hard for you to say
But you can take your time
I ain't goin' nowhere
So slowly unlock your heart
Show me the way
To make it right
Baby I'm coming

Say I'm coming through to rescue you
I can be your super hero
Say I'm coming through to rescue you
Girl don't be afraid to let go
Say I'm coming through to rescue you
You can hold me till you feel alright
Say I'm coming through to rescue you
Stay with you till the morning light

Honey I'm here to take care of you
Make you forget of everything you're going through
Even for a moment in time Let me take you there in your mind
So follow me into another place
The tears that you cry, I'll wipe from your face
I'm here to make it alright
Even if it takes all night

And I know that it might be hard for you to say
But you can take your time
I ain't goin' nowhere
So slowly unlock your heart
Show me the way
To make it right
Baby I'm coming

Say I'm coming through to rescue you
I can be your super hero
Say I'm coming through to rescue you
Girl don't be afraid to let go
Say I'm coming through to rescue you
You can hold me till you feel alright
Say I'm coming through to rescue you
Stay with you all the way till the morning light

You ain't got to worry
I'll be coming to your rescue
Coming to your rescue

Whenever you need me
I'll be coming to your rescue
Coming to your rescue
When you're lonely at night, I'll be
Coming to your rescue
Coming to your rescue
Anytime that you need me
Baby just call
Just call me

Say I'm coming through to rescue you
I'll be your super hero
Say I'm coming through to rescue you
Girl don't be afraid to let go
Say I'm coming through to rescue you
You can hold me till you feel alright
Say I'm coming through to rescue you
Stay with you till the morning light

Say I'm coming through to rescue you
I can your super hero
Say I'm coming through to rescue you
Girl don't be afraid to let go
Say I'm coming through to rescue you
You can hold me till you feel alright
Say I'm coming through to rescue you
Stay with you till the morning light
