

# Stupidest Kind Of Love

Ryan Leslie

See when I'm around you I feel like the angels are singing  
You know what I'm saying  
Is it real tho'? (Yeah)  
So angelic (Yeah)  
Listen

It's so easy to ruin this kind of love  
Cause it's the stupidest kind of love  
So easy to ruin this kind of love  
Cause it's the stupidest kind of love  
Tell me who are you tryin' to love?  
Cause it's the stupidest kind of love  
So easy to ruin this kind of love  
Cause it's the stupidest kind of love

How could I blame you?  
Something in the roses, said that I want you  
And we got along, so well, perfect chemistry babe  
We're so different from all the rest  
You're just like the best  
Oh it's just something about you  
But it seem like we were waiting for the moment we would go on

It's so easy to ruin this kind of love (So easy)  
Cause it's the stupidest kind of love (Baby)  
So easy to ruin this kind of love (Yeah)  
Cause it's the stupidest kind of love  
Tell me who are you tryin' to love?  
Cause it's the stupidest kind of love (Yeah)  
So easy to ruin this kind of love  
Cause it's the stupidest kind of love

Yeah  
Know this love is amazing (Amazing)  
Where your heart get some racing (Racing)  
All this fantasy chasing (Chasing)  
Like we need a vaction (Vacation)  
Just a moment or two (two), away from the work (Work)  
Tell me what that would do (do)? Tell me how it hurt?  
Dangerous situation, babe I don't know why you can't deny  
Say we're living in our imagination  
And we'll never ever get satisfied

It's so easy to ruin this kind of love  
Cause it's the stupidest kind of love (It's the stupidest kind of love)  
So easy to ruin this kind of love (Cause it's the stupidest)  
Cause it's the stupidest kind of love (Tell me who are you)  
Tell me who are you tryin' to love? (Oh babe, yeah)  
Cause it's the stupidest kind of love  
So easy to ruin this kind of love (Oh babe)  
Cause it's the stupidest kind of love

Oh yeah  
So easy to ruin this kind of love  
So easy to break down, this love, this love (Ooh)  
You know why? Cause it's the stupidest kind of love

It's so easy to ruin this kind of love  
Cause it's the stupidest kind of love  
So easy to ruin this kind of love  
Cause it's the stupidest kind of love  
Tell me why we even try?  
Are we out of our minds?  
For the stupidest kind of love  
Tell me who are you tryin' to love?  
Cause it's the feel goodest kind of love

Huh  
Don't love me, don't love me  
Baby don't love me (Woo)  
Save yourself baby, yeah I said save yourself (Ha ha)  
Baby don't love me, baby it's the st--
