Uh uh oh...
Oho... oh yeah

Tonight
Oh I been waiting oh so long for tonight
I know this feeling can't be wrong, it's too right
I wanna fulfill the fantasies in your mind
Tonight

Let me talk to you:
Pretty mama it's the end of the night
Wanna talk about feeling allright
Wanna talk about love tonight
Till the early light
Cause you're lookin so dynamite, babe
I been waiting so long for this
And I know ain't nothin wrong with this
Girl I'm so curious
Wanna feel your kiss
Wanna get a little scandalous, babe

And I'm gonna give you my love
Said you gonna get all my love
Just the two of us
You don't wanna mess this for love

Tonight
Oh I been waiting oh so long for tonight
I know this feeling can't be wrong, it's too right
I wanna fulfill the fantasies in your mind
Tonight

I'm the victim of a robbery,
Cause she came and stole my heart from me
And that's the best part of me
I gave you all of me
And that's the way it gotta be, girl
I'm a treat you so right tonight
A little flute a little candlelight
As long as you're by my side
And the mood is right
You won't forget tonight

And I'm gonna give you my love
Said you gonna get all my love
Just the two of us
You don't wanna mess this for love

Tonight
Oh I been waiting oh so long for tonight
I know this feeling can't be wrong, it's too right
I wanna fulfill the fantasies in your mind
Tonight

You ain't got to worry
I ain't in no hurry
I just wanna take your time tonight

I ain't try'na rush you
I just wanna touch you
And won't you say you're mine tonight!?

And I'm gonna give you my love
Said you gonna get all my love
Just the two of us
You don't wanna mess this for love

Tonight
Oh I been waiting oh so long for tonight
I know this feeling can't be wrong, it's too right
I wanna fulfill the fantasies in your mind
