Ryan Leslie

Yeah, uh  
Next Selection

I-I-I-I-I, just wanna be good to you  
(Uh, I really do, Yeah)  
I-I-I-I-I, I just wanna be good to you

Girl I need what you give me  
I don't wanna lose  
(Yeah) I'm so high when you're with me  
Everything you do (ooh girl)  
Said it's not something that money can buy  
But it is something that I can give all night  
You are precious so I'll move what you ask  
In an effort baby girl to express  
That I wanna

I-I-I-I-I, (said I wanna be) just wanna be good to you  
(Uh, I really do, baby I)  
I-I-I-I-I, (said I just wanna be) I just wanna be good to you

You're the sun in the morning  
I love it when you shine  
I'm the one when you want it  
Come get it anytime (Hey yeah yeah)  
Said it's not something that money can buy (You know)  
But it is something that I can give all night  
You are precious so I'll move what you ask  
In an effort baby girl to impress  
Cause I want to...

I-I-I-I-I, (said I wanna be) just wanna be good to you  
(Oh sugar I wanna be so good... said I wanna be)  
I-I-I-I-I, (GOOD! to ya baby) I just wanna be good to you

Said I really wanna be yeah

Tell me what it takes I wanna be good to you  
I will do it anything that you want me to  
Tell me what it takes I wanna be good to you  
Baby tell me what you want I will do it yeah

Cause I oh I...  
Said I wanna be so good  
Girl I wanna give it to you  
I wanna be so good  
Oh baby  
Said I wanna be good  
Oh I... Wanna be  
I wanna be so good  
Sugar I do  
Said I wanna be  
I Wanna be, Wanna be  
Good to you  
Just Rock with it uh
