

When I Think About Love (I Do, I Do)

Ryan Leslie

It's obvious for you there's feelings.
And for your touch I have the need.
I ain't sure about commitment.
But I could sure use the company.
I'm thinking can this be for real and.
Like is it you I'm falling for?
'Cause ever since we started chillin'.
I want you more and more and more.

I do I do, I do I do, I do I do.
From the moment that I saw you.
I do I do, I do I do.
Said I want you so bad, baby.
I do I do, I do I do, I do I do.
From the moment that I saw you.
I do I do, I do I do.
Said I want you for me.

When I think about love you're the one I want.
When I look at the sky you're my stars my sun.
When I think about love you're the one I want.
When I look at the sky you're my stars my sun.

Now other girls they might look good but.
It's only you I'm tryna see.
Though they say that I'm insatiable.
Honey, you can satisfy me.
'Cause the rest are imitations.
And you're the real thing.
And I've awaited your arrival.
Like the first day of spring.

I do I do, I do I do, I do I do.
From the moment that I saw you.
I do I do, I do I do.
Said I want you so bad, baby I do.
I do I do, I do I do, I do I do.
From the moment that I saw you.
I do I do, I do I do.
I want you for me.

When I think about love you're the one I want.
When I look at the sky you're my stars my sun.
When I think about love you're the one I want.
When I look at the sky you're my stars my sun.

When I think about love, yeah.
Said I think about you.
When I think about, uh love.
Yeah.
I think about you.

When I think about love you're the one I want.
When I look at the sky you're my stars my sun.
When I think about love you're the one I want.
When I look at the sky you're my stars my sun.

When I think about love.
When I think about love, my baby.
When I think about love.
