

# Winning

Ryan Leslie

I'm winning, I'm winning  
I'm winning, I'm winning

I'm riding through the city getting money like I'm dealing  
You know I love this feeling, you know I love this feeling  
I'm ridin' through the city getting' money like I'm dealing  
You know I love this feeling, you know I love this feeling

I'm on, I'm on, I'm winning, I'm winning  
It was 'bout twelve years in the making, my overnight sensation  
We did it independent, we ain't need no radio station  
So it's a celebration, getting money every night  
When you work this hard and got this much talent, it's only right  
Yeah  
I started selling beats, I'm on to bigger things  
Studio for weeks, boy that music in my veins  
I ain't never scared. What's the point of that?  
(Winning)  
Corey Webster on the field if I'm a cornerback

My city never sleeps - so I ain't sleeping either  
I'm never going under, I'm a chronic overachiever  
That lemon Lamborghini cost two-hundred twenty stacks  
That gold on that wrist will tell you where the money's at (Right here)  
In and out of every city with my entourage  
Touch down in Dallas winning with my homie Taj  
G5 to Nevada we on that Vegas strip  
(Winning) Duffle bag full of hundreds when I take a trip

You play the game of speculating what a boss is worth  
That's when the money, cars and clothes become a boss' curse  
You'd probably have it too if you could do a boss' work  
Awesome success just means you also deal with awesome hurt  
I've lost a lot of friends, I've lost a lot of cash  
I lost my baby when she left me, yeah I lost that ass!  
I lost so many memories it's like I lost my past!  
So if I'm dying young, I guess that mean I'm living fast
