

# Chasing Your Heart

Ryan Stevenson

I was giving up, I was done dreaming  
'Bout to hang it up, jaded and defeated  
Looking so hopeless, watching every door closing  
I'm getting sick and tired of the sound of my heart  
Breaking when I see my dreams falling apart  
I'm full of resentment, but I'm still believing

I'll never stop chasing Your heart; my dreams live wherever You  
are  
And even when I'm falling apart, I'll never stop chasing Your h  
eart

Whatever it looks like, whatever You say  
What's stirring in my heart is Yours anyway  
I'm no longer hopeless, 'cause this door is open, yeah

I'll never stop chasing Your heart; my dreams live wherever You  
are  
And even when I'm falling apart, I'll never stop chasing Your h  
eart  
I'll never stop chasing Your heart, Your heart  
I'll never stop chasing Your heart  
I'll never stop chasing Your heart, Your heart  
I'll never stop chasing Your heart

I won't let the world (I'll never stop, never stop)  
Kill this fire (I'll never stop, never stop)  
I won't let the world (I'll never stop, never stop)  
Kill this fire (I'll never stop, never stop)  
No, I won't let the world (I'll never stop, never stop)  
Kill this fire (I'll never stop, stop)

I'll never stop chasing Your heart, no, never gonna stop, no, n  
ever gonna stop  
I'll never stop chasing Your heart, no, never gonna stop, no, n  
ever gonna stop

I'll never stop chasing Your heart; my dreams live wherever You  
are  
And even when I'm falling apart, I'll never stop chasing Your h  
eart  
I'll never stop chasing Your heart, Your heart  
I'll never stop chasing Your heart, whoa  
I'll never stop chasing Your heart, Your heart  
I'll never stop chasing Your heart
