

No One Ever

Ryan Stevenson

No one ever cared for me like Jesus
No one ever gave their life for me
No one ever walked upon the water
No one ever made the blind man see

No one ever left a thousand people
To come and find me wandering
No one ever cared for me like Jesus
No one ever gave their life for me

I never knew a world without You
Till I decided to run away
I never took a breath without You
Then You took my breath away

I never wrote a line about You
Till You gave me an empty page
I never told a soul about You
Till You gave me words to say

I can see something changing in me
And I don't understand but I feel so much peace
No one ever knew my deepest secrets
Before my first heartbeat

No one ever calmed the raging ocean
By speaking words of peace
No one can calm my storm
It's only You
