

Not Forgotten

Ryan Stevenson

Nobody knows the mountains we've been climbing
Nobody sees the valleys we are barely surviving
His eyes are on us tonight
We got to believe
His eyes are on us tonight

We are not forgotten
We are not alone
He is holding us and
He'll never let go
He'll never let go

Nobody sees the fires we are facing, no no
Nobody knows the future we're embracing
His eyes are on us tonight
We got to believe
That His eyes are on us tonight

We are not forgotten
We are not alone
He is holding us and
He'll never let go
He'll never let go

Jesus we're counting on You
We're counting on You
We're counting on You

We are not forgotten
We are not alone
He is holding us and
He'll never let go
He'll never let go
