

# Preach

Ryan Stevenson

I talk about grace  
I talk about love  
I talk about faith  
But some days I don't have enough  
I talk about forgiveness  
But still learning how to give it  
Lord, I need your strength to live what I believe

I want my life to preach  
Every breath, every beat  
I want my life to preach  
When I'm strong, when I'm weak  
Through valley lows and mountain highs  
Every moment testifies  
Further than my words could ever reach  
I want my life to preach

I talk about peace  
And I talk about hope  
I talk about serving others  
But most days I don't  
And I talk about freedom  
But getting' lost in religion  
Lord, give me strength to live what I believe

'Cause I want my life to preach  
Every breath, every beat  
I want my life to preach  
When I'm strong, when I'm weak  
Through valley lows and mountain highs  
Every moment testifies  
Further than my words could ever reach  
Lord, I want my life to preach

I want my life to preach  
I want my life to preach

Turn my days into your canvas  
Let me stay open-handed  
With a humble heart to serve the least of these  
I want my faith to be in action  
Let this flame of compassion  
Be louder than every word I speak

I want my life to preach  
I want my life to preach  
I want my life to preach  
I want my life to preach

Every breath, every beat  
I want my life to preach  
When I'm strong, when I'm weak  
Through valley lows and mountain highs  
Every moment testifies  
Further than my words could ever reach  
Lord, I want my life to preach

I want my life to preach  
I want my life to preach

Lord, I want my life to preach

I want my life to preach  
I want my life to preach

I want my life to preach  
Every breath, every beat  
Lord, I want my life to preach
