

Risking It All

Ryan Stevenson

If I had a dollar
For every time I gave into my doubt
I could build a tower
I'd have me a million by now

And I don't really get it
I don't really get it
Sometimes I feel like giving up
I've never been a quitter
Never been a quitter
Giving everything I've got

I'm risking it all (thank you Lord)
I'm risking it all (my fear is gone)
Even if I fall
You're here through it all

I came to the conclusion
I gotta learn to walk with You by faith
Cause You're holding my future
And I know I don't have to be afraid

I don't know what You're doing
But I can see You in it
Yeah, I can feel it in my heart
And I know that You're moving, every single minute
So I'm trusting You my God

I'm risking it all (thank you Lord)
I'm risking it all (my fear is gone)
Even if I fall
You're here through it all

Out on the edge with nothing beneath
Oh, I wanna fly, I wanna be free
And I'm not afraid
Cause my guarantee is knowing that You are right here with me

I'm risking it all
Yeah
I'm risking it all, oh, oh, oh

I'm risking it all (thank you Lord)
I'm risking it all (my fear is gone)
Even if I fall
You're here through it all
Yeah I'm risking it all

So what if I fall
