

Unbroken

Ryan Tedder

oh oh oh oh oh oh oh
oh oh oh oh oh oh oh

I don't know what this is
But I can tell it's something that I can't miss
It's like your showing me where happiness lives
And all I have the strength to do is turn to you
With every empty space
I'm missing pieces only you can replace
I'm like a packet saying please don't wait
Your contents are fragile
So I'm glad your here to stay

I can promise you that this heart
Was brighter then a falling star
And all the money that I could take
Now theres nothing more that I can break

*_CHORUS_

* You picked up my pieces and put me together
Theres no way you'd ever know
That my heart was breaking
Cause you came and threw me a line
I was falling apart but now I'm falling forever
For someone that wont let go
My loves a token
Because of you I'm unbroken
I'm unbroken
I'm unbroken

Now every piece of my heart
I falling back into place

Time stops when I'm with you
I count the seconds I got
Cause every minute I was something I'm not
You given back to me
it's like history don't mean a thing with mine
Trying run away I cant hide
I'm in the dark and all I see is your lies
And your shining brighter
Then anything I've ever seen
And I can promise you this heart
Will be a falling star
Cause you know what it means

* You picked up my pieces and put me together
Theres no way you'd ever know
That my heart was breaking
Cause you came and threw me a line
I was falling apart but now I'm falling forever
For someone that won't let go
My loves a token
Because of you I'm unbroken
I'm unbroken
I'm unbroken

Now every piece of my heart
I falling back into place

Into place...
Into place...

I just woke up from a dream where
I was in one piece
No fragment of me and in these empty streets
Love held me together and it never let me go

I just woke up from a dream where
I was in one piece
No fragment of me and in these empty streets
Love held me together and it never let me go

Nothing left for me to break
* You picked up my pieces and put me together
Theres no way you'd ever know
That my heart was breaking
Cause you came and threw me a line
I was falling apart but now I'm falling forever
For someone that wont let go
My loves a token
Because of you I'm unbroken
I'm unbroken
I'm unbroken

Now every piece of my heart I falling back into place
Into place...
I'm unbroken...
oh oh oh oh oh oh oh
oh oh oh oh oh oh oh
