64 Interlude

Ryan Trey

(That's why I say some shit could never last)

This what happen when I get frustrated (Yeah)
Strip clubs comin' in clutch lately
Gotta keep that shit on the hush baby (Shh)
Gotta go I'm in a rush baby (Yeah)
Gotta know that this ain't gon fix itself
Caught her lookin', we locked eyes, I just couldn't help (Couldn't help)
Can't get caught up with my side, I be movin' stealth (Stealth)
Her friend sayin that she seen me, that was someone else

A nigga had to slide, had to slide, had to slide
(Had to slide, had to slide)
I was ducked off in the ride
With the windows tinted tryna hide
Nigga had to slide, had to slide, had to slide
(Skrt, skrt) Yeah
That's the difference between you and I
If that was me I couldn't let it slide

Yeah you said you heard, what you heard, you believe it (Yeah)
You ain't see shit
(You ain't see shit)
You was always down to ride the wave nah, now ya sea sick
Tellin' all your friends all our business
Behind my back on some weak shit
You said it was feelings that you had for me
You could keep it (Girl you can keep it)

Nigga had to slide, had to slide, had to slide (Skrt, skrt)
I was ducked off in the ride (In the ride)
With the windows tinted tryna hide (Tryna hide)
A nigga had to slide, had to slide, had to slide
(Skrt, skrt) Yeah
That's the difference between you and I
If that was me I couldn't let it slide

This what happen when I get frustrated (Yeah)
Strip clubs comin' in clutch lately
Gotta keep that shit on the hush baby (Shh)
Gotta go I'm in a rush baby (Yeah)
Gotta know that this ain't gon fix itself
Caught her lookin', we locked eyes, I just couldn't help (Couldn't help)
Can't get caught up with my side, I be movin' stealth (Stealth)
Her friend sayin that she seen me, that was someone else

Are you with someone else?
Baby you with someone else?
Yeah you with someone else?
I'm with someone else
And you know I'm someone else
When I'm next to someone else
Wonder why I know you so well
Mmm
Yeah
Yeah
Yeah, yeah
