

# It's About A Girl

Ryan Trey

Poppin the same day, wouldn't phase you tomorrow  
Not a stranger to excitement  
I ain't clockin' you got niggas on the facetime calls  
But I still hold it down cause you know me  
Yeah, still hold it down on the regular and lowkey  
Still waking up to different faces  
She ain't trying to settle cause it's complicated when you not basic

Poppin' and you locked in  
And you top ten, but you not ten  
Girl, you top two, but you not too  
And they plottin 'cause they not you  
Poppin' and you locked in  
And you top ten, but you not ten  
Girl, you top two, but you not too  
And they plottin 'cause they not you

You in the Range changing keys on the regular  
You be dubbin' em with ease like its regular  
On the ave pullin' G's off the cellular  
Then she bring it back to me, I go pick it up  
You got a body the price of a Benz and I'm tryna test the shit  
You say you got friends that ain't really friends but you ain't gon' press the shit  
You stay in LA but you moved to NY cause you don't attach to shit  
You walk like a model, you swerved on your ex like you on some Tesla shit, slide  
How many niggas can you curve in a night  
Can't fuck with niggas 'cause these niggas kill ya vibe  
Choosy, but you loyal when it's time to pick a side  
Options over options, can't decide

Poppin' and you locked in  
And you top ten, but you not ten  
Girl, you top two, but you not too  
And they plottin 'cause they not you  
Poppin' and you locked in  
And you top ten, but you not ten  
Girl, you top two, but you not too  
And they plottin 'cause they not you

Pixie dust on my hand, she want a taste on the low  
Told her, baby, I cant feel my face on the low  
Call coryega, hit the place, then we go  
Shawty said she lookin for a trey  
Girl, I know I'm a poppin' nigga  
East side nigga  
Please get the fuck up out my face, lil nigga  
Bitches come and go, I can't relate lil nigga  
He ain't got no money, girl, replace that nigga 'cause you

Poppin' and you locked in  
And you top ten, but you not ten  
Girl, you top two, but you not too  
And they plottin 'cause they not you  
Poppin' and you locked in  
And you top ten, but you not ten

Girl, you top two, but you not too  
And they plottin 'cause they not you
