

# Only Us

Ryan Trey

Wanna know

Wanna know sum baby yeah  
I Think I really love you  
I been tryna throw sum baby  
Ah girl I'm really tryna fuck you  
Its only us, in this bitch  
Only us, in this bitch  
Aye girl its only us in this bitch  
Only us  
In this

Thousand dollar tennis shoes  
Cop whatever just for you  
You want me now I want you too  
I put that on my soul  
Treat you like that bentley coupe  
Where u at I'll fly to you  
I'll make sure its just me and you  
I'll never let u go  
Thousand dollars on these jeans  
You can take it all from me  
You throw it back unconsciously  
I feel it in my bones  
All these hoes gon fall in line  
Ima give you all of mine  
Let's make some time don't waste no time I'll never let you go  
Pop it baby pop it feel on top when I be underneath  
We been staying lowkey but they know just what you done to me  
Everytime I slide I don't do twos I gotta shoot the 3  
We don't fight but I'll go cassius clay you get me in the sheets  
Even when I touch down I land and call yo phone  
Tell your girls you busy I'm right here up the road  
Baby know I'm certified this money ain't a joke  
You say I ain't drop my hoes I never said I won't

Wanna know sum baby yeah  
I Think I really love you  
I been tryna throw sum baby  
Ah girl I'm really tryna fuck you  
Its only us, in this bitch  
Only us, in this bitch  
Aye girl its only us in this bitch  
Only us  
In this

When we out its only us  
Treat me like your onlyfans  
Watch you like my favorite show  
Pop it like some rubber bands  
That nigga that you entertain  
Nah Nah he ain't seeing me  
Bet you run laps through the mall  
Get you C and C  
Strippers at the B&B  
Say she from the DMV  
I come from the gated capital

My names big as Meech  
On this trail by the beach  
Off shore audemars  
Jewelry in the Cullinan  
Now you dancing with the stars  
Tell me that you moving around alot  
I shouldn't take it far  
Rebellious type of nigga never listen  
Know I'm breaking laws  
Breaking hearts, big money quick to break you off  
You got haters on you baby  
Need to shake them off  
Love the thong but take them off  
Whole meal ima eat her up  
We go out, you bring a friend  
We in a 2 seater stuffed  
You been workin hard, need to live  
Come see what it is  
Just pick up the phone when I call  
Tell me how you feel

And I know you outside  
And I know she lowkey wild dog  
I'm on the fence you know me baby  
Cause its always like the times off off  
Baby take these clothes off ahhh  
Wish id turn the time off what's going on

Wanna know sum baby yeah  
I Think I really love you  
I been tryna throw sum baby  
Ah girl I'm really tryna fuck you  
Its only us, in this bitch  
Only us, in this bitch  
Aye girl its only us in this bitch  
Only us  
In this

And I know you outside  
And I know she lowkey wild dog  
I'm on the fence you know me baby  
Cause its always like the time go  
Baby take these clothes off
