

# Pressure

Ryan Trey

Yeah  
Whole lot of cash in this  
I got a 8 full of V's  
Droppin' a bag for it  
That don't mean nothing to me

Nigga, I'm glad I made it  
Really, I can't explain it  
Fuck all the games they playin'  
But I've been thinkin' while niggas been

Talkin' to the kid crazy  
Who you've seen this year ain't me  
Binge drinkin', I'm on day six  
Gave some guys the keys to lane switch

Niggas talk shit a whole lot  
X6 and I'm too live  
Gina turn me down in school, I  
Now its Gina on the poolside

Téa up in Maryland  
And nigga, she keep tellin' me the same  
Talkin', "I'm sorry girl, I care for you"  
"But I know crazy bitches don't change"

I swear it's, ah  
I don't ever know  
If I'm coming home  
I'll still let you know  
Yeah

And it seems to me that girls only want one thing  
Seems to me my niggas only want one thing  
Seems to me my family only wants one thing  
Tell me something I don't know

Yeah  
Don't know  
Don't know, no  
Yeah

But to these bitches, I know everything  
Bitches, I know everything  
Ex that was done with me, came back for more  
I got digits and a chain, she wouldn't have came back before

Then it's just liquor and weed with my niggas  
'Cause we got some pain that's ignored  
I got problems, a whole lot  
You can relate to me, hold on, no you don't

Think the same  
Toys for the team and it ain't for games  
Fadin' in and out, I got liquor for brains

True

It's not me, it's you  
And all you ever tell me is

Boy, it seems to me your girls only want want thing  
Seems to me your niggas only want one thing  
Seems to me your family only wants one thing  
Tell me something I don't know

I don't  
I don't know  
I don't  
I don't know  
I don't know
