

Seeing Signs

Ryan Trey

Woke up this mornin' caught another M
Woke up this mornin', yeah, yeah, yeah, just caught another M
Woke up this mornin', seen my IG, I saw you and him
Man, I'm losin' love same time I'm losin' friends
Man, woke up this mornin' I been seein' signs
Woke up, push start on that McLaren, doors suicide
Rather be dead 'cause without you I'd be dead inside, huh
Made you cry again so it's bye again, ridin'
Slidin', ridin' under the stars right now
I wish you was in this car right now
Woke up this mornin' caught another M
Woke up this mornin', yeah, yeah, yeah, just caught another M
Woke up this mornin', seen my IG, I saw you and him
Man, I'm losin' love same time I'm losin' friends
Man, woke up this mornin' I been seein' signs
Woke up, push start on that McLaren, doors suicide
Rather be dead 'cause without you I'd be dead inside, huh
Made you cry again so it's bye again

Only time they really call is when they in need
I been turnin' all my losses to AP's
Took my jeweller to the cemetery, got real diamonds
Keep one eye open like pirates, you gon' carry or get bent
I was geeked up, so gone, but I was trustin' you
Guess that I'm intoxicated 'til my days get through
We on vacations tomorrow, so we don't ever plan it
Rolex it don't tick or tock, but my diamonds dancin'
In and out them foreign cars, my drivin' skills enhancin'
The way that my team ball, I won't ever trade 'em
Before you start countin' your flaws, help me count this paper
When you take your panties off, leave 'em here with greatness
Opps be linkin' up with opps but that don't make 'em sanction
You ain't never seen stars in the broad day
When it's 2 P.M., come hop in this Wraith
Pull up, check my rearview, it ain't nothin' but wasted time
Fucked her once and I don't want her back like a spine
Saint Laurent, got blood on my boot, guess that's how we ride
I woke up this mornin' and the sun never rise
I'm comfortable dealin' with these dark times

Woke up this mornin' caught another M
Woke up this mornin', yeah, yeah, yeah, just caught another M
Woke up this mornin', seen my IG, I saw you and him
Man, I'm losin' love same time I'm losin' friends
Man, woke up this mornin' I been seein' signs
Woke up, push start on that McLaren, doors suicide
Rather be dead 'cause without you I'd be dead inside, huh
Made you cry again so it's bye again

Big flexin', big steppin'
Rolexin', she texts, "I miss you"
She pressure, I'm messy, better not
Catch you fuckin' 'round with my opps
Get burnt playin' with all that fire
How that's gon' look to all of my guys?
Instead of you straight up hittin' my line
My ex gon' call you sayin' what it was but she don't nothin'

If I tell you the sky ain't blue, you gon' say I'm frontin'
I'd give all up if it came down to it
Took it for granted when I gave out love
Came out the bottom and I'm so high up
And I know it's somethin' that I just can't leave
Distant is somethin' that we just can't be
I'm turnin' every loss to LV
Call me now, call me now, call me now
Call me now, I swear it's okay to call

Woke up this mornin' caught another M
Woke up this mornin', yeah, yeah, yeah, just caught another M
Woke up this mornin', seen my IG, I saw you and him
Man, I'm losin' love same time I'm losin' friends
Man, woke up this mornin' I been seein' signs
Woke up, push start on that McLaren, doors suicide
Rather be dead 'cause without you I'd be dead inside
