

Slide

Ryan Trey

I'ma slide in, I'ma check in
Ooh, she got a best friend
Ooh, creepin' on the Westin
Ooh, make a first impression

Yeah
Slide on her and invest in it
Ooh, do you got a second?
Ooh, you ain't even gotta question

Where you going after the after party?
If you don't know, then ask somebody
You know I got my eye on you
Slim waist, you got some thighs on you
And that ass phat too (Yeah, yeah)

Hunnids in the van and I'm tripped up, aye
She could make a bag at the strip club, aye
She got Prada round her hands but she raked up
She came GA with her friends

Had her switch to them Backstage Passes
She got access
Lookin for a savage
I think I might grab it
Attitude catty
Light skin baddie
Her Body suit huggin
She wear Extended lashes

Looking for demon
She might just find one
Fenty products
Louboutin, Prada
Loving my drive
Be my front seat rider
Say you wanna slide
You should pull up when the show done

I'ma slide in, I'ma check in
Ooh, and she got a best friend
Ooh, creepin on the Westin
Ooh, make a first impression

Yeah
Slide on her and invest in it
Ooh, do you got a second?
Ooh, you ain't even gotta question

Where you going after the after party?
If you don't know then ask somebody
You know I got my eye on you
Slim waist, you got some thighs on you
And that ass phat too

Falling in and out, I be leaving
Extend my stay give me a reason

These shows be back to back, it ain't easy
I'm single, but I be feeling like it's cheating, yeah, yeah

All these one nighters feeling awful
Lying, when I say, "I'ma call you"
Watch how I'm moving I be cautious
21 and it's only getting harder
Yeah, yeah

Peep this
Don't share my sauce, it's a secret
Keep it
I'm tryna dive, fuck the deep shit
Freak shit, I'm tryna slide on some sleek shit
I keep ya heart on some G shit, yeah, yeah

I'ma slide in, I'ma check in
Ooh, she got a best friend
Ooh, creepin' on the Westin
Ooh, make a first impression

Yeah
Slide on her and invest in it
Ooh, do you got a second?
Ooh, you ain't even gotta question

Where you going after the after party?
