That January night, those feelings come back and
In August, the room feels especially cold
Is time passing quickly or am I slow
Our hearts became cold

A blossomed rainbow at my window
Even though I can't follow the blue bird in front
In our memories or in your heart
If only our heart could fly again
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh, yeah

A sound without any scents, a stare without any sounds
My memory is fading like I'm missing something
Because I am not smart or because I am weak
Your habits merged into me warmly

A blossomed rainbow at my window
Even though I can't follow the blue bird in front
In our memories or in your heart
If only our heart could fly again

Brightened through my narrow hands
Dawn is laughing indifferently
Even the final gap is slowly closing
My sadness, this fragrant pain

Settles into a open wound
To remember our blue wings
In our memories or in your heart
If only our heart could fly again
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh, yeah
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh
Hoh-hoh-hoh-hoh, oh-oh, yeah
