이제 나는 너를
떠나고 싶어
하지만 너를
잊을 수 없어

나는 아직도 너를
사랑하고 있어
너도 나를
사랑하고 있어

I'm not over you
I'm not over you
이제 나는 너를

I'm waiting for you

I'm still waiting for you

How should I start?
My pen is still
It's not easy to
Write down my feelings

I don't blame you or hate you
Now your warm tone has faded
I live like I'm just fine
I may seem fine but I'm still

I'm not over you
I'm not over you
Painful words I repeat by myself endlessly
I'm waiting for you

Whatever I write
I keep going back to the beginning
I try holding back my hands
But in my head, you darkly spread

I'm not over you
I'm not over you
Painful words I repeat by myself endlessly
I'm waiting for you

All night, I'm writing down my heart
It's spilling out, I'm crazy
I can't stop again
I'm not over you

I'm not over you
I'm not over you

I know it's over but I'm still

I'm not over you

I'm not over you

I'm not over you

I'm not over you

To you, who won't hear my remaining story

I'm waiting for you

Though I can't send you this

I'm still waiting for you
