

Blame

Ryland James

I'm not saying that I am perfect
Make mistakes, but I make 'em worth it
Let's not make this about you versus me
And just 'cause we are mad together
Doesn't mean that we're bad together
At least on that we can agree

I'm getting nothing right, nothing right, nothing right, nothing right yeah,
ayy
By doing nothing wrong, nothing wrong, nothing wrong, nothing wrong, yeah, a
yy

I'm not the only one to blame, blame, blame, blame, blame
But no matter what I say, say, say, say, say
It's the same old conversation, and I don't got the patience
For all these accusations thrown my way
'Cause you know and I know, yeah, we know, we both are to blame

If I stepped on your toes, I'm sorry
It's like walking on eggshells lately
Try to look at it from my point of view
Forgot 'bout your mother's birthday
Wish you told me the date in the first place
But the last thing I want is to fight with you

I'm getting nothing right, nothing right, nothing right, nothing right yeah,
ayy
By doing nothing wrong, nothing wrong, nothing wrong, nothing wrong, yeah, a
yy

I'm not the only one to blame, blame, blame, blame, blame
But no matter what I say, say, say, say, say
It's the same old conversation, and I don't got the patience
For all these accusations thrown my way
'Cause you know and I know, yeah, we know, we both are to blame

(Ooh, ooh-ooh, ooh-ooh, ooh-ooh, ooh, ooh, ooh)
(Ooh, ooh-ooh, ooh-ooh, ooh-ooh, ooh, ooh, ooh)
You know, we're both to blame
Yeah we both know that
(Ooh, ooh-ooh, ooh-ooh, ooh-ooh, ooh, ooh, ooh)
(Ooh, ooh-ooh, ooh-ooh, ooh-ooh, ooh, ooh, ooh)
You know, we're both to blame

I'm not saying that I am perfect
And you're not perfect
At least on that we can agree

I'm not the only one to blame, blame, blame, blame, blame
But no matter what I say, say, say, say, say
It's the same old conversation, I don't got the patience
For all these accusations thrown my way
Cause you know and I know yeah we know we both are to blame
You know, we're both to blame
Yeah we both know that
Cause you know and I know yeah we know we both are to blame
