

I Give Everything

Ryland James

If I say what's on my mind
Can I trust you to be honest with me?
I must confess
That I lose myself every time you kiss me

I know I go too far
When I fall, I fall so hard

I wanna love you
But don't wanna lose me
'Cause every time I dive in deep
I give, I give everything
I wanna love you
But don't wanna lose me
'Cause every time I dive in deep
I give, I give everything
For you (For you)
For you (For you)
I wanna love you
Don't wanna lose me

I know I can't go back
And I can't bite my tongue with you
I could try but it's no use
I keep, I keep overthinking
That just leads to overdrinking
Feelings for you start to sink in
Let that sink in

I wanna love you
But don't wanna lose me
'Cause every time I dive in deep
I give, I give everything
I wanna love you (I wanna love you)
But don't wanna lose me (Baby)
'Cause every time I dive in deep
I give, I give everything
For you (For you)
For you (For you)
I wanna love you
Don't wanna lose me

I know go too far
When fall, I fall so hard
I know I go too far
But don't break, don't break my heart

I wanna love you
But don't wanna lose me
'Cause every time I dive in deep
I give, I give everything
Wanna love you
But don't wanna lose me
'Cause every time dive in deep
I give, give everything
For you (For you)
For you (For you)

Wanna love you
Don't wanna lose me
(For you, for you, for you)
