Can't sell no sprite he got coke  
Put down the controller he in the Dope Game  
Ion trust him I know he a snake  
Peep out a cobra the kind with no veins  
Got a cougar keep talking about marriage

I know a nigga can fight but he broke  
And I know a hustler who just let the door swing

Bitch where I'm from gone hustle or rob  
You either breaking in cars  
Or selling some hard  
He keep him a Glock  
And spin at his job  
Like he sliding with Denis I'm riding with rods  
He ran up a 20 and bought him a Chevy  
Man trap in the closet just like R Kelly
